

Celebrants Online April 2011 Update

Dear Celebrant

News & stats from Celebrants Online - www.celebrantsonline.com.au - for the month of April 2011

1. NSW Celebrants are now all included on the new-look Celebrants Online website. NSW Celebrant details were all fully activated on 1st May. This means that people seeking Celebrants in NSW will now be able to contact those celebrants directly via the contact form on the Celebrants Online website.
2. The current NSW Celebrants Online and QLD Celebrants Online websites will cease operations sometime this coming week. All links from the old sites will be redirected smoothly and without interruption to the correct page on Celebrants Online.
3. Work is continuing behind the scenes to optimise each celebrant page for Google and other search engine searches.
4. From 1st to 30th April - 80 celebrants received 118 direct enquiries via the website from the celebrant-seeking public.
 - The majority of enquiries were for weddings, but namings, renewal of vows, commitments and engagements also featured
 - The majority of enquirers contacted just one or two celebrants
5. Following an extension of time for payment of renewal fees due to the tragic flooding in Qld & Vic this summer past, those Celebrants who elected to discontinue their subscription have now had their details removed from the website.

I'd like to take this opportunity to thank you for your past support and wish you all the best with your Ceremony work, now and in the future.

And to all financial members of the website ... I wish you all continued success in your Celebrancy business in 2011.

Kind regards

Penelope
